“ My world changed so much when we lost sammy. He always had that big beatiful smile on his face, no matter what. I miss my hugs, my kisses, my "love you grandma". I miss seeing him every day and mostly watching him grow from a cute little boy into a handsome young man. I miss never being able to hold the beatiful children he and hannan would've had. They had so much love to give, they were bound for each other. I love you forever sammy. Love, grandma

Life has been really hard without you Sammy I still remember all the memories I had with you especially the time when we took the turtles to Pizza Hut and when we would drive RC cars up and down the road and joke about running over people's feet those were good times and good memories to hold on too but it took me a while to realize that you're in a better place and someday we will make new memories, love you sammy
