“ *What a beautiful Lady. We were very fortunate to have her part of our lives.*

*I remember David, when he first told us about Sandy and then when he introduced us to her. He truly was a happy man.*

*She is safe and doesn't hurt any more.*

*May God embrace David and the boys.*

“ *Sandy was always so kind to us neighborhood kids. She sat through so many of our neighborhood plays. She let us climb her trees, play trucks in the ditch, ride bikes in her awesome driveway and took us to Sun n' Surf. She had the best laugh that I can still hear today. I will miss you. My prayers are with your family.*

“ I miss my Mom. I dont know what else to say but that. She is a beautiful person and made everyone she knew smile. I have so many great memories of her. Growing up i always enjoyed going to the grocery store with her, even though i didnt know it at the time, i just wanted to be close to her. And to maybe sneak a candy bar into the grocery cart.

*I always waited for the summers at Sun & Surf. That was a daily ritual for us, and lots of fun, plus she taught us boys the basics of swimming.*

*The thing i will miss most is her laugh. Me chasing my nephews through the house when they were toddlers always made her double over in laughter.*

*I will miss her. She helped shape me as a person. But she will always be in our hearts.*
