“ *Scott was not only my co-worker he was a friend. I will miss him greatly as he was a great asset to our team. I shall miss sharing concert events and hearing him talking about brewing his own beer and wines. I will miss having lunch with him and Tony so we could vent and laugh at each other. I look forward to the End of the world party he planned on throwing in December. In his honor we will also be doing the same at work. I know that is what he would have wanted to keep the party going.*

*Scotty was my brother these past few years. Only 5 years have gone by yet it seems like I knew Scott forever. You two are the light that kept me strong over these few years. Scott gave me strength again this week. Scott will always be my friend and will always be in my thoughts and love. Love you Jackie. Hang in there. You and the boys have many that love you.*
