“ Scott "Frenchy" you will be so missed. You were a good man with a good heart and a great sense of humor. Please don't be mad at him. If he passed from a heart attack we would say he had a bad heart. Scott had a bad brain. That day he had a brain attack for which he couldn't recover from. I'll pray for his family and for all his many friends who will miss him so much. God bless.

“ We all were close but when we served together in Desert Storm we became brothers. we helped each other through the stress and anxiety of being away from our families and going through times of not knowing what may happen next. Frenchy was like my kid brother. We made those tough times as fun and worry free as we could. The "GOON PLATOON" was a loving family. I will miss you brother, but will always have you in my thoughts and in my heart!

“ I will miss Scott tremendously. His love and passion for Civil War history was unrivaled. His enthusiasm for preserving that history was contagious. He was always one of the first to volunteer for activities and community events with our group, especially our participation in events at Mine Creek Battlefield.

Scott was always there when someone needed a helping hand. He would never hesitate to say, "What can I do for you?" or "How can I help?"

May he rest in peace.
