“ *My friend Scott did not aspire to be the lead singer but he always increased the music in the room. I do and will miss him. I am richer for sharing in his friendship. Tim D.*

“ My condolences to the Martin Family on our loss. Scott was a soul with a powerful message. It contained forgiveness, grace, and the importance of self deprecation and humor to help us move through this life easier. Scott made a huge impact on my world and on many of the men that had the benefit of his company at PIII. He set a powerful example for me and others that will never be erased. He is complete and we are left with his aspect. Still richer for it.

“ Our heart goes out to Kevin and Tim, as well as the rest of the family. It was such fun to bother the three of you as you sat together at the yard sale on your front lawn. I'll miss the frequent waves and smiles as Scott would be headed up the street. Many hugs and much love to you brothers. Cherish those fun times.
