

Sean-Paul Christopher LaPoint

November 3, 1987 - October 8, 2022

Sean-Paul Christopher LaPoint born November 3, 1987 passed away on October 8, 2022. He was born in Vicenza, Italy and grew up in Kansas City, KS.

Sean had the most caring soul and a charm that made him stand out above the rest. He will always be remembered for his room-filling laugh and bright contagious smile. Often, you could hear him discussing a movie he was excited about, a recipe he wanted to try, an old fishing story, or his plans for an adventurous future. Intelligent, deep thinking, ever so curious about how things worked, are just some of the ways of describing our beloved Sean. Recently becoming General Manager of his long time place of employment, Sean also had a way of doing whatever needed to be done.

Sean is survived by his three children, Allison, Alex (birth name Audrey), and Lucas. Nothing made Sean more proud than to show off photos and tell stories about his children. They were his whole heart and constant motivation on becoming a better version of himself. In addition to his siblings, Anjelic LaPoint, Philip LaPoint, Trevor LaPoint. Parents Catherine and James Ritz. Grandparents Armando and Cecilia Diaz, Richard and Jane LaPoint and Anna L. Ritz. Along with numerous aunts, uncles, and cousins. All who he loved dearly.

Nothing would make Sean more happy than if we gathered to share stories and photos of him so please join us for the visitation and celebration of life.

“ *My dad was amazing. I remember when we went to Chicago, he turned on Promiscuous by Nelly Furtado and he sang every word, even her part. He sang it in the highest pitch he could get and I was trying so hard not to laugh to the point where my face turned red. Then we both busted out laughing, that 9 1/2 hours was some of the best memories. Thanks dad <3.*

“ Karen and I and our grandkids visited with Sean Friday night, October 7 at Salsa Grill. He was his usual jovial, endearing, engaging self. We talked his affection for our son Keith who had previously worked briefly at Salsa Grill with Sean. He posed for picture with our grandkids to send to Keith. He even gentlemanly removed his ever present ball cap for the pic. I don't know that I had ever seen without a cap on. We were both devastated to hear of his passing. His kind spirit will be greatly missed. - Rick and Karen Langtry

“ Cathy, Family & Friends - this poem has always brought me solace during times of great loss, David, Tilde and I wish to express our sincere condolences ...

I stood watching as the little ship sailed out to sea. The setting sun tinted his white sails with a golden light, and as he disappeared from sight a voice at my side whispered, "He is gone."

On the farther shore a little band of friends had gathered to watch and wait in happy expectation. Suddenly they caught sight of the tiny sail and, at the very moment when my companion had whispered, "He is gone," a glad shout went up in joyous welcome, "Here he comes!"

“ Dave and I are frequent customers at The Salsa Grill. We loved Sean's good nature and positive energy, as well as his ability to balance professionalism with the friendly relationships such a career demands. We were stunned this evening to learn of his passing. Our condolences to his family (Angel, we are thinking of you especially), and to his work family. His life was a gift. His passing is a loss. He will be fondly remembered by many.
