“ *Words cant express how much I miss you. You were my best friend and even tho you were my little brother, you were always looking out for me and came to my rescue everytime I needed you. You were such an amazing uncle to your nephews , always taking them out to go places and have fun. You did everything you could to be the best dad you could be to your son. You left this world far too soon and the loss of your presence here on Earth will be a sting felt in our hearts everyday. Thank you for all the memories, the laughs, the comfort and protection you gave us. I feel so blessed to have been your sister. I love you brother, rest in peace in heaven.*
