“ I am sending much love to the family, God be with you and comfort you as only He can.

Sharon and I agreed on lots of things, following the example of our Grandma Mur. Sharon had a beautiful smile that would light up a room. I remember so many cute things she said when she was just a little girl. She will be missed, but she is in the Lord's loving arms now. We will meet again some sunny day. God bless each of you.

“ *Our deepest sympathy to all the family. Sharon was a special lady! I will always remember that legendary smile, I don't think I ever saw her without it! More than a coworker, she was a dear friend, a wonderful wife, mother and grandmother. We always talked about her family. Once Sharon retired I always kept in contact with her. You don't let good friends like her slip away. Rest at peace my friend, our one sided conversations will carry on until we meet again. I love you, Janie*
