“ My favorite memories with Sherm are waking up at 3 or 4 am to go fishing. Going camping, him telling me hey bud or hey rock go get some twigs so we can get a fire started, then sitting around the fire roasting marshmallows and hot dogs. I'd wake up at the campsite he would be gone but I knew exactly where to find him, over at the spillway, I always joined him I went everywhere he did. I would ride in the middle of his truck and he would let me change gears for him. There's a million more memories I have with him and when I grew up I realized he taught me how to be a man and how to survive in nature if I needed to and for that I'm forever grateful. I love you buddy and I'm going to miss you like crazy. Julie I'm sorry for your loss and I love you too thank you for being there for him like he would have for any of us.
