“ *I will always remember our childhood memories of getting our hair permed and Family dinners looking up to Sherry she was so popular at school. Then time passed and next thing we were having our children. Sherry would babysit my children as they were young always picking them up to a house with homemade dinner cooked for her children. Remembering her beautiful wedding and the pleasure to follow all her beautiful pictures on Facebook. You will be missed cousin, I will always keep your voice in mind and your smile in heart. Love Noria Family*

“ My condolences to my Aunt Nia, my cousin Sandy and all of Sherry's family. Sherry and Sandy were like sisters to me, as Nia and Roy took me in when I was a kid - Sherry's dad Roy, my uncle, is responsible for the fire I have in me about cars and hot rods. Nia, I'm sorry for your loss - you should never have to bury your child, Sherry knew that way to well. Tim, I'm so sorry for your loss - You are a special man, as Sherry left no doubt about how much she loved and cared for you, as well as your kids, and pets! I wish all of you peace and leave you with this thought - all of us are here for you and your family. Everyone one - those of us who are family, and those that are friends - we all love you and yours and without question, will be here if you need us.  
RIP Sherry. I'll miss you cuz.
