“ *Hi Becky, I ran into Robin today and she told me that you passed away. I have to tell you I am chewing on this one. I was wondering why I didn't get your Christmas letter, I guess I have my answer. I have to tell you I am so glad that you and Sylvester reconnected and that you got married. I know your girls are going to be just fine because I know you taught them and I also know you taught them well. They will be just fine, don't worried about them. I hope you are in peace and know that I am very glad that our paths crossed. I know we will see each other again and that time for sure, lets have lunch. My thoughts and prayers are with you.

*Becky gave me the opportunity to work for her cleaning up rental property she and her father owned. I was grateful for this it helped to be able to buy things for my daughter Theresa Shyann Randles. Her daughter Erin was close with her and our home was a safe place she could come to. I ALWAYS let her mother know she was safe always when she come over during some difficult times as a teenager. U surely will be missed.*
