“ Hey Grandma, I know I'm late one to the party, but better late than never right? I wouldve wrote here any and everytime I thought of you if I knew this was here but then it would be filled up by all the memories and times that I could ever think of. And all the things I wish I could've said and did with you. Hearing those fateful words on that morning threw me for the biggest loop I could ever go through in my life. I would say you was my rock here. But that would make things in a small perspective, the accurate thing to say is you was my sun, and my world. I could never have a bad day when by the end of it I was home with you. Of course Sharon was there as well and I still love her too. But there isnt anyone out there who could replace you and I would give literally anything if it meant being able to spend an evening laying on the couch while you were in your chair watching the Golden Girls. There's so much that has happened to me I wish I could tell you. I wish you were there too just so I know you could help guide me the right way. I still carry everything you have ever taught me in my mind and try my best to stick true to your words. I hope you heard my goodbye on that day. I still think about it on occasion as I'm in the house. I miss you and I'm sure you know that as you're watching over me up there in heaven. And I know you're in heaven, there isn't any way you'd be anywhere else. With the golden heart I know you have, and shared with everyone in the family. I hope to be close to as a big of a heart as your when it's my time. I don't want to rush it either, cause I know you wouldn't approve of that. 😊 Please keep watch over me, please help protect me and please show and give me signs so I know im doing what's right. I love you Grandma and I always will. And whenever I have kids I'm going to show them the same love you showed me to honor you and so they can know how much love their Great Great Grandma can give. I can't say it enough but I miss and love you with all my heart. I will never forget you.
From, your little man Aneva

Thinking of you and missing you today, and always. I'm so grateful for all the love you provided for me and my siblings growing up.

We could have never had a better Mother. I hope we all showed you how much we loved and appreciated you. You will remain in our hearts today and forever. Give Dad a big hug from me. I Miss him the same as you.

“ Its crazy to think you have been gone for 4 years! 😞 Always looking back on the memories and laughs we had together 💕😞 I love you grandma! Always missing you and thinking of you. If only heaven had a phone or visiting hours, just so I could hear your voice one last time would be great and to tell you I love you too. 🙏😞😞 I hope you're up there resting with grandpa and having a good time. 🎉🎉

“ Hey.. Grandma it's been a minute since I've come to this page.. But I want to tell you that I miss you so much ❤️💕😭🥺🙏.. Everything is so different without you here. I wish I could have you back because so many people would be themselves again... Including myself, Sharon, my mom, Aneva.. And so on..I love you so much.. I wish I could have you here forever and let you go when I'm ready to go to with you...But it just doesn't work in my favor that way.🙏🥺🥺🥺
🥺 Grandma you meant so much to me and you always will...🙏🙏
🙏 No one will ever take your place.🙏 When you past I was young but I now am growing older and miss you so much... I miss coming down on Saturdays for us to go to Walmart with Sharon and even share laughs together over silly stuff.. I miss our adventures to where ever we went or needed up at ... I wish Sharon and I could of carried that on.. But unfortunately it stopped cause she has this "boyfriend" and has changed her whole personality towards everyone.🙏🙏🥺🥺🥺🥺 She's just not herself.. It's like she cut me off 🥺👧👧... But I'm kind of over it... I just don't let it get to me anymore.🥺🙏🙏🙏 And I wish the old Sharon would come back but again it doesn't work in my favor like that.. Cause I know people change over time... But I really don't like this change in her..🙏🙏🙏🙏
👧...I miss you but I also miss my grandma Sharon the one who would take me to dance on Saturday and wanted to do stuff with me. 🙏🥺🥺 And no one can get to her because she makes excuses but whatever... Whatever makes her happy🥺🙏🙏🙏 .. But I bet you and grandpa are watching over her and I hope you guys know what she is doing.😂😂😂🙏 Its just been so crazy after you left.. And I bet you're happy up in heaven🙏💎🙏 with grandpa.. Boy is he lucky to have you up there with him.😂🙏🙏🙏 So not fair..😂😂😂 Aneva's birthday was Saturday and I hope he had a good 20th birthday.. He's making me old grandma.😂😂😂 He's already 20...I bet he missed you tho.. Well Your Birthday and Christmas is coming up..🥺💕👧👧 I miss calling you or even coming down to the house to tell you happy birthday 🎂🎈🎉... I also miss the sound of your voice.🥺🥺🥺🥺.. I wish I could hear it one more time from you not no recording or anything.. Just from you... Well I miss you grandma and just want to let you know that I

love you. 🙏🏻👉🏻💕💕

“ My Grandma was the rock that kept me going when God called my Grandpa home. Now, its her time to reunite with him and share everything that has gone on since. (Hope she don't tell him everything though!) I know my Grandma and I know her thoughts. I looked up to her and it was very devastating watching what she was going through. I'm beside myself. I want her here, yet I don't want her to suffer. It's true what they say, God breaks your heart at times, but its just a reminder that he is taking the best!!! I love you more than I will ever be able to express and right now, I just feel so lost without you...No one will take your place. You know that though.. I never said goodbye when I would leave, I would say, "I'll see you later and you said ok hun"....So, I'll see you later....I love you...~Erin
