“ *Missing you so much mom I still can't believe your gone. I wasn't ready for you to leave I still need you to give me strength and advice! But I also seen first hand how much you were in pain all those sleepless nights and how hard it was for you to act like you weren't hurting so you wouldn't worry us!! You know I did everything to make you better and I know you only felt comfortable with me!! I would do it all over again for you because that's what you did for me and Lauren, you took care of us. I miss you mom but I promise I will be strong like you and I need to grow up now and handle business like you would!! I promise you mom that I will take care of dad until it's time for him to leave because no matter what that's what you would want!! I love you so much mom and please keep watching over us and guiding me so I can be the best I can!! Your little baby Mona ??*
