“ *Well, it has almost been two years since Sonia passed. It has been a rough bumpy road with out her, she is missed every day. My kids talk about her all the time, and my husband misses his mom. I wish we could see her again. Hear her voice again, if only for a small moment. We miss you Sonia. Always will.*

“ *Sonia was my aunt, she loved everyone in her family. She was like a mother to me i know she loved me. It is very hard to let someone like her go. But, we as a family will be strong for her and be happy that she is pain free. We love Sonis.*

“ *Sonia is my mother inlaw. She was always a very giving and loving person. She was a wonderful mother, grandmother, wife, sister, daughter and aunt. My favorite thing about her was that she would never say no if you asked her to do something. She would give the shirt off her back for anyone she loved. You will be missed. We love you.*
