

## Sonny Johnson

July 24, 1962 - January 1, 2023

Deputy Sonny Johnson was born July 24, 1962 in Yugoslavia, later moving to Germany where he spent his younger years. In 1999, Johnson moved to and became a citizen of the United States. Johnson became a Deputy with the Wyandotte County Sheriff's Office on August 07, 2008. Johnson proudly served his entire career in the adult detention center where he worked multiple positions including Acting Supervisor. Nobody was more proud to put on his uniform and wear a badge each day.

Those who knew Deputy Johnson best know he would do anything, for anybody, at any time. Deputy Johnson loved a lot. He loved his wife, Nadine. He loved raising his chickens. He loved to joke and he loved making his German sausages. With his strong European accent, Johnson would greet you with "Hey Bubba", not just in passing but stopping you and checking to see how you were you doing.

To know Deputy Johnson was to know he loved his job, he loved his family, he loved his country.

He is survived by his wife, Nadine Johnson; Children, Dena Morris and Jim MacKay; grandchildren, Julian Walsh and Manley Morris; Sister, Boba Westrich; and his dearest friend, "best man" and brother he never had, Todd Tokich.
