“ *starla was truly an angel on earth. it is sad that the lord had to take away such a sweet and kind girl from us, but she will be with the ones she missed so deeply. I'm so blessed to be able to say that she was my friend. we all know that she will always be in our hearts forever. starla go home with god's speed. love you always my dear. Curtis padilla.*

“ *This is always the end of this life but on to better with no pain. Will be missed by many and your grief will get better over time. Remember God doesn't give you more than you can handle. We love you all. Uncle Bill said he has known her, her whole life, as was there when she was born. Rest In Peace our Angel, Starla.*
