“ I was so saddened to hear that Stephen had passed away. I have known Stephen and Aubrey for several years through their storage unit business. I developed a good friendship with them both. I always enjoyed visiting with them every month when I paid my bill. Stephen always had pure joy and happiness when he spoke of Aubrey and what they had been up to. I admired their close father/daughter bond and always felt happy after our chats. He was always happy to visit and share in some good laughs or our vacation stories. With COVID and everything going on in the world, I had been paying my bill online and hadn't been in to see them. He was a blessing to this world and he will truly be missed.
