I remember Steve from school as well. We went to school from grade school through high school. He was a kind soul.

“ Steve and I were in school together from first grade on. He lived a couple of blocks away in grade school and we rode the same bus to Junction and then Highland. I remember him being extremely kind -- just a real, nice guy. When I think of Steve, I think of his smile, the drums, and some really serious hair. I don't know that I saw him after graduation in '77 but I'm very sorry his life was cut so short. All my sympathies to those who loved him.

“ Steve always had a smile on his face & would make you laugh if he thought you needed one & sometimes even if you didn't need one! A lot of people thought Steve would never marry but that was before Leslie stole his heart & vice-versa. They made such a sweet, cute & unique couple! Steve, not only will you be missed by the love of your life, Leslie; your son, Austin; the rest of your family, friends & co-workers but the rest of the world that never got a chance to know you & the love you had for life & Jesus. Let your legacy live on in those you are temporarily leaving behind. We will miss you but will see you again soon!

“ Steve Dado was a wonderful human being. A man of faith with a great passion for music. He was unequalled in his work and never looked down on anyone or had a negative thing to say about his coworkers. After talking to Steve you would walk away thinking "That is one of the nicest people I have ever known." You will be missed Steve. I love you brother.
