“Wow I still can't believe you are gone. I remember the time when you Danny and Jeff sat on a street corner with a steering wheel and a windshield on your laps acting like you were driving. I have lots of fun memories with you. We love you and miss you.

“I'm still in shock that you are gone. You can't imagine how much you are missed. You are the closest uncle in my life and I will cherish ALL the wonderful, crazy, funny and sometimes irritating (lol) memories I have had with you. You are truly a gem that will be missed. You always knew how to make everyone laugh and smile. And you never had an unkind word to say about anyone. I love you uncle Steven and miss you SO much! You may be gone from this earth but never from my heart.

Love,
