If there ever was an Angel one earth, it was Susan. With bright sunlight back ground, if you looked closely, you could almost see her wings. Thank you Lord for sharing her with us.

“ Jim, Megan, Thomas and family, I want to share with you heartfelt messages I received from my brother, Rod, and sister, Cathy in regard to their memories "Growing Up with an extra sister, Susan". They didn't include conversation about our "Otis the Mighty Hunter" routine nor remembering how you (Jim) would always turn our Christmas "Noel" decoration into saying "LEON"... Everyone knowing Susan has a story & I love what Rodney & Cathy had to say: from Rodney: "Sister Cyn, you and Susan have remained in touch with each other on a consistent basis. Those memories will be etched and instilled in you forever. I know you will find comfort in those memories and utilize those memories to get you through her passing. I remember Susan being at our house and going to the lake but the interactions are kind of foggy, other than the two of you pestering me a lot. Susan always got a chuckle when you would mess with me. The flower arrangement is beautiful & a perfect representation of the relationship the two of you had: Very simple, very unique and very strong. My prayers are with you during this time & always. Love Bro. (From Cathy): Rod, your message was heartfelt, encouraging, and uplifting! You have a gift with words and what you said was very healing and helpful in this very tough time. Susan was an additional sister to our family and losing a sibling is not easy, but I love your take on banking on those memories because those cannot be taken from us and will live on forever! Susan gave us lots of joy and laughter and her peaceful and mischievous spirit when she was with our sister Cindy was entertaining and unpredictable! I remember sleeping on the couch on 56th Terrace so Susan and Cindy could have the bunk beds when Susan would spend the night and waking up with marshmallows stuck to my toes and the smell of Macaroni and tomatoes cooking through the night!! You always knew Cindy and Susan had some tricks up their sleeves when they were together! My heart goes out to you sister Cyn-thi-a as you persevere Susan's tough battle she fought!! May her sweet spirit and laughter surround you and comfort you and the memories absorb you forever!! I love you brother Rod and sister Cindy!! May peace and

laughter live on in honor of our Susan!! Love, Cas

“ *Beautiful smile, beautiful soul, beautiful heart. We will miss Susan so much, but cherish every laugh, every game played, every breakfast shared. Our hearts are broken now, but we will try to be more like her every day. Playful, compassionate, a bit ornery at times, which made her so much fun to be around! The Kendall's are a huge part of our lives and that will not change. We loved Susan, as we love you all.....*

“ Jim and Family, We are so saddened by the loss of your dear
Susan. My fondest memory of Susan is when we painted watercolor
prints using flowers and leaves from her beautiful gardens. She was
so happy and loved her family more than anything. She will be
missed. We will see you all on Monday. Hugs, Buck and Sherri

“ I was heartbroken when I heard that Susan passed away. She was beautiful inside and out. I have known her since I was a child. She and Jim (before they were married) would take my brother and I to the zoo, the pool and other places while my mom was working. She made it so fun for us. She made us play-doh which didn't make my mom very happy because she used all of the flour (LOL). I'm sure you are having fun in heaven with all of those who have passed before you. Please give my mom and dad a hug from me. I know you are no longer suffering and are resting in peace....Love you always!
