I was blessed to have known Susan for a brief while (2 years) but in that time, we laughed, cried, shared and truly had a friendship that will last a lifetime. I have so many memories of Susan, John Hooser and myself, outside on our breaks. We would either be laughing at others or laughing at ourselves, usually ourselves and it was such a heartwarming feeling to have connected with another soul as beautiful as Susan. I will miss us making fun of each other because we never could talk right or manage to use correct grammar. There is a space in my life where you used to be, however you will forever remain in my heart and in my memories.....I love you Susan!!

“ Susie had the ability to change a sad moment into full laughter. Sometimes it would get a little weird but that was the way she like to do it. Every weekend when she and Steve would come to the farm with the little ones. Of course Susie had to set in the back with the Children. It became a joke, We called pulling a Susie if you rode in the back seat.

The sofa bed in the living room would get pulled out for them to sleep on, till the kids got up and started jumping on it.

Biscuits and Gravey was always the Breakfast they wanted/

They never missed a birthday party or Graduation for the boys. Even when they got divorced we still continued to pick up right where we left off. God must have needed another lovely lady ,so he picked Susie. I like to believe she is with us right now an listening to all we are saying. She well always carry a special locked place in our heart for her. Good night sweet Susie it sure was a good life even with all the ups and downs. We well be with you someday so get the scoop on everything. I kinda thought a red mustang wings might fit me . no more pain, no more wows I'm in Heaven with all foes

They all remember me and the stories we told, it like every word became a rainbow or or a fluffy white cloud. I am having the time of my life so go on with yours. We well meet again and what fun we well have. Don't cry or get upset I went the way I wanted, No pain and so peacefully This place is great and the things we can do. You never get hungry or have to sleep it what ever you dream well happen and does.. So goodbye for my my son and daughter.

Take care of each other and keep looking up

“ Susie had the ability to turn every bad situation into a funny story. We always told each other the truth and never held back anything. There was not a Graduation, Theater play.

Birthday she ever miss with our boys. When Steve and Susie was married every weekend they would load up the car (with of course Susie having to set in the back with the kids so they wouldn't get up) and off to the Crouse Farm they could come. If they missed a weekend we were on the phone to see what happened. We would pull the old Sofa bed out and that's where they would sleep till the little ones woke up. Biscuits and Gravey was always her breakfast meal. They would spend the whole weekend letting the kids play and she and I would settle the worlds problems or so we thought. I well truly miss Susie. Even after the divorce, she was still my friend. She was the kind of person you didn't have to see for awhile and could pick up right where you left off the last time you spoke. There is a very special place in my heart that has been saved for dear Susie. HAVE FUN UP THERE GIRL AND I KNOW YOU WELL.

“ *Susie will leave a void in the collective hearts of her family, friends and loved ones. She had a smile that could light up any room for which she was there, as well as a laugh that was guarantee to chase any blues or bad mood away. May her memories bring comfort and peace to all who mourn her passing. She will live forever in our hearts and in our memories....*

“ Chuck and I knew Susie for a long time. She had beautiful long black hair and long thin legs!! Once she became a Mom she was very devoted to them. She has always worked hard and kept a great sense of humor about life and tough situations. She is in a better place. She will be sorely missed.
