“ *I've tried to find Susan for many years, but only today I noticed her obituary. My family and I lived next door to her on 10th Street and moved into her house when the family moved to Turner. Susan was a beautiful girl. I see the wedding picture and it's like seeing Susan again when she was young. I was very sad that I hadn't connected before.*

“ My thoughts and prayers go out to you and the family, Susan was quite the character, I loved working in demos with her at the Taste of Sams, and other areas of our Sams Club. She loved to talk and keep up with everything that was going on daily. I hadn't got to see her much lately but when I did we always spoke and she would let me know that she missed working with me. Our 1st Taste of Sams was fun she did most of the cooking and did a great job, she will be missed by many and may she now rest in peace with no pain and illness!!! Thanks for the memories Susan!!

“ I have two that I would like to share. Growing up I used to go to her house with Ginger and I remember her teaching us how to make twice baked potatoes and watching children of the corn (scary movie). The next one was when we were at a girl scout camp and my daughter got a tick on her butt and Susan was our "nurse" and had to remove it! We had some laughs through the years, you will be missed but never forgotten!
