“ *My condolences to the family. I lost touch with everyone I'm just now hearing about this. I met Tamara when we were kids. I went to their church some. When I had my horses in town she was always excited to ride. Tamara was always the life of the party, she loved to laugh and made others laugh. She was spontaneous in many ways. I remember one year it was the last day of school and she was sent home (I don't remember what she did) but she came to my house to hang out for the rest of the day, we had a blast, baked cookies, prank called people and terrorized the boy across the street. After they moved to Colorado when I was 11, I went to visit them at Christmas, we went cross country skiing. Great family. Miss you all.*
