“ Tammy was a wonderful para-educator in our classroom many years ago. We had great times together and I knew she would be a first rate teacher, someone I would be proud to say I encouraged into the profession. I know how much Noble Prentis will miss her. David & Mikki, my heart goes out to you as you go through this difficult time. She was a jewel.

“ My Aunt Tammy was mor than just an Aunt, she was also a friend. A friend who would listen to me but give advice in a motherly form. She is one of the strongest women I have ever known and having her as part of my life has been wonderful. We spent many summer Thursdays poolside and those are memories I will cherish forever. Aunt Tam, I will miss you more than you know, I love you.

“ I met Tammy for the 1st time at my wedding- did not know her, but my husband and her boyfriend at the time- worked together! A bit later I was attending her wedding- to Dave! It has been 29 years from our first introduction! It was many years later when we started working together at Noble Prentis where I had transferred . I happened to have lunch with her , and as we were talking discovered that we had a great time at one another's wedding! We became friends , sharing memories, and stories of our kids and hubbys! Tammy was an amazing person with a big heart, and a sassy way about her! She was such a hoot and I loved her. May God bless and comfort Dave and Mikki during this difficult time.

“ We are sorry for the loss of Tammy. She was a super person for us to have known. Lots of fun and took time to visit. We had a super good time with her and her mother when Craig and Nancy Howell had there 25th wedding dinner in Leavenworth. It was a special time to visit them both and talk about the days at the Sheriff's Office and friends then we all knew. Also she would send me emails to let know about her mother when we were in Austria to keep informed about her. God bless her and all the family. A long time friend. Terry J. Clark & Frieda L. “ *Sending prayers for hearts to be healed, memories to be lifted up, and peace to be found by all of Tammy's friends and family.*

*My best memories of Tammy are from hanging out after school with her & other coworkers. Laughing until our sides hurt, mascara ran, and had danced on the tables. We always had fun lunch conversations too. I honestly can't remember a time with Tammy that we weren't laughing. I will miss her so much, and feel so lucky to have been touched by her sense of humor & friendship.*

*I love you Tammy! I hope you are at peace. I will see you again one day!*
