“ *Not a day goes by that I don't think about you, Sissy. I miss you so much. Most days it just doesn't seem possible that you are gone, it seems like I should call you or come out to see you but then reality sinks in. Thank you for being the person that you were, always so kind and loving. We were all so blessed to be in the same family and to share the good times and the difficult. love you always, bk*

“ I can only send my most sincere condolences as you all have undergone such a terrible loss. Every time that I was able to talk to Teresa, she was so warm and kind and gentle. I feel particularly lucky to have spent time with her as she shared her joy, love and photos of Kirk as a child for Kim and Kirk's Baby shower for Kate. She opened her home to me and I enjoyed every minute of it. Your entire family is in my prayers.

“ Charlie, I just wanted to tell you how sorry I am for the loss in your family. I wish that Teresa never had to come to KCHH, but I'm so glad that I got to meet her & get to know a truly beautiful woman inside & out. So many of us at HH miss her a great deal & will NEVER forget her. I loved coming into her room & seeing her smile, even when she wasn't feeling her best. I have been there over six years, & I cannot remember having a more special person. She gave more to me than I can even explain. I know that one day I will be able to tell her myself & to give her a huge hug. I'm grateful that all your family could be there at her bedside on the day of her beautiful transition to heaven. One of the last things I told her was, "Teresa, you're a heck of a woman." And I meant that from the bottom of my heart.

*Love to all,
Melissa C.*

“ We were so sorry to hear about Teresa's passing. Even though she suffers no more, it's still so hard to loose a wife, mom, grandmother and sister. She made such a positive impact on the people who shared this life with her. Hugs and prayers to you all. Mark and Sue Matney

*My dear sweet sister you will be missed greatly. You always had the right words to make me see that all things would be alright and that God is really in control even when we don't feel him close or see his reasons for letting things happen. I'll love you always and pray that I'll see you again. To Charlie, Kelly. Charles, John and Klrk always know she loved you as only a mother and wife could. She was so very proud of you all. My prayers are for your wonderful memories to console you and to know that the God that your mother loved is there for you too.
