“ *Catherine,
I am so sorry for your loss. I didn't get to know your mom well, but at the bonfire this year, I was able to talk to her for awhile and we discussed our common interest, Harley's. She was a very nice person. I will pray for you all. Sorry I was unable to attend the services due to my work schedule. You and your family have been in my thoughts and prayers. Marcia*

“ Gonna miss one of my best friends, but I know she will always be with me in spirit. Our heavenly father has made a wonderful place for her and she is reaping her reward a little earlier then expected. Prayers for strength for her family and friends. There will be a brighter star in the sky at night watching over all of us. Love you Teresa, godspeed and some day your dazzling smile we will see again..... I am truly honored and blessed to have had you as my friend and sister.....

“ So sadly we will miss you Teresa. You were such a beautiful warm and happy person. You would light up a room when you entered it. To Dave and her children I am so truly sorry for your loss. I know you were so truly blessed to have her in your life. The last two days I constantly thought of her and what she would tell me when I needed a friend and all I kept thinking of was her words of encouragement. No matter what she always saw the bright side of everything. May God Bless her and your family through this time. Sheryl, Steven Nicolay, Matthew, Christopher and Tara

“ Dear David and Kids:

*Jack's and my heart goes out to all of you. I am so sorry and know that this is a difficult time for all of you. Jack and I have always kept you all in our hearts even though we have been apart. Please call us if we can do anything for you and the kids. I wish we could be there for the services but know you are in our prayers. We really had some good times with the kids as they were growing up. We made some really good memories. Just know that Teresa will always be in your heart and that can not be taken away from you. All of our love
Jack and Denise*
