“I think I know you!” Was Teresa’s go to phrase! After talking to someone she knew their whole life & families story. She even found some way we were related!

I was lucky to be her cousin! When my husband Nick had a major heart attack and in ICU, Teresa spent 5 nights there with me in the hospital, in case he passed and I was alone, it really helped me! After he passed, she kept me busy by getting me to meet at one of her classes for fun things. Later somehow her and I were watching our Niece Jaime’s 4 children, including new born twins boys! It was healing and she knew how to help me along with Jaime!!! We also got the names - TT and Nana Donna. She would call to meet her at restaurants. Best at Supper Bowl brackets & keeping track of it all. She was the Garage Sale Queen, took money, talked to people & made sure nothing went missing and divided up all money! My dream job she had was working I think at Sunshine Biscuit where she could walk by the assembly line and grab a hot cookie! She had a great disposition and a great way of handling things! I was. Teaching her how to sew & at the project end there was a crease that messed up under the arm. I wanted to rip it out & redo and she said leave it “no one better be under my arm! Teresa was the bravest, most organized, most caring & most interesting & loving person I know and I was lucky to have her as a sort of older sister! To sum it up my Dad Don Thelen and Mom Mary Yulich were dating and TT went on a date with them. Mom said don’t worry she’ll be timid and not say a word! My Dad later said Teresa didn’t shut up the whole Date! Love you Teresa

“ *Best friend, confidant, sometimes counselor, like a sister I never had and most definitely one of a kind. All this and more made me love Teresa. There is no way to express the loss I feel and how much I will miss her. My thoughts and prayers are with all her family and friends. God Bless you Teresa. In my heart forever.*
