“ *I had the pleasure of meeting Terri through her daughter Jeanette. I was welcome to one of her annual Halloween party's and it was beyond amazing. I also remember inviting her to Christmas at Resurrection and she was so humble and thankful for the experience. Terri will be missed and just having the handful of visits that I have had, I know she was a wonderful and cool lady. My deepest sympathies to her friends and family ❤️*

“ *Terri was the best grandmother anyone could have asked for. She loved and supported me unconditionally through my life. From being at all my choir and band concerts to being with me almost every day my son was in the NICU. I just hope that I can be half the person she was. Her spirit is one that will live on inside all who had the pleasure of knowing her. I love you Nan.*
