“ *My Aunt Lorene was a very special person. I have always loved her so very much. When I was little and I would get mad at my mom I would tell her I wanted Aunt Lorene for my mom. In my younger days our family was very close but as I got older life got in the way. I wish I wouldn't have let that happen. It was such a comfort for me to know that even though I didn't visit her the way I should I knew she was there. I will miss her but I know she has been wanting to go home for a long time and be with the Lord and the rest of the family.*
