“ Ted was a Christian, Husband, Father and Veteran who served his family and country. He was a gentle person that was always willing to help when needed. I had the good fortune to have known him for the past 30 years. He served Special Forces Chapter 29 as our treasure for the past 30 years. He was dedicated to his family and our chapter. He will be missed by all of us, but I know he is with our Father in heaven. May God Bless Ted and his family. Special Forces Chapter 29.

“ What a wonderful world this would be if there were more people like Ted. God, family and country meant so much to him. If you had the privilege of knowing him, you were a friend for life. He was always my hero. "Sis"
