“ To Joe and family,  
So sorry for your loss.. Terri was a warm, wonderful, caring person. I know that she loved her family very much. Although I haven't seen her in many years, I will never forget her genuine love for life. She was a hard working mate, Momma, and loyal to a fault! She loved and was very proud of her husband and her children. I will be praying for all who loved her to find peace in God's love.. May HE hug you all and give you peace knowing that she is now with HIM, in heaven.  
Sincerely,

“ So saddened to hear about "Terry" --- I worked nearby her department at Bayer and spoke with her often. We compared notes about knee ailments because my wife Vickie was going through the same thing. Our work responsibilities crossed paths often and I relied on her organizational expertise to assist with some of my projects. We are the same age, she in July '49 & me in August '49. I missed seeing and talking to her after she left Bayer. Our sincerest condolences to the family, I'll miss my Buddy.

“ *In my lifetime I have experienced happiness, sadness, regret, solace, and grief. Terrie's death has resulted in so many feelings and emotions; pretty much indescribable .*

*My sister was one of the strongest persons I knew. We were 10 years apart, she was my sister, my friend and my mother. I looked to her for strength and guidance during difficult times. When I was a child Terrie was the stability I needed when times were hard. She always gave me hope and a reason to achieve my goals and dreams.*

*I have accumulated so many memories of Terrie and I over the last 56 years. Thank you God for allowing me to be part of her life and death. My sister made a decision that my Father Henry Olivarez and his Mother Juanita Olivarez chose. Terrie chose to ascend to the heavens to be with our families. Her decision epitomizes Bravery.*

*Terrie you left this earth but not my heart or soul. You are with me everyday. If you are looking down; please remember the time we went to South Padre. Geese flying above our heads; laughter and frenzy they caused. Now when I look to heaven, I will see you with the Geese gazing down at earth guarding our families. You are my Guardian Angel. I will love you always.*
