“ *Dear McCall family, it was an honor for me to get to know such a wonderful family while spending time together at Kansas City Hospice house. Thanks for sharing stories with me of your dad, and what a wonderful cook he was, I felt like I knew him from all of your memories. It was also special getting to know your Mom, and spend time with her, your dad would have been so proud of all of you for hanging in there like you did, he put up a great fight to the very end. Also, a special thank you for the flowers that you brought up for Mom, they are just beautiful. Again, it was an honor getting know all of you, and may you all be at peace.*

Sincerely Bev Oldani

“ Tom McCall was a great man! He was one of my favorite uncles - I loved to make him laugh, which wasn't hard to do. You didn't often see him without a smile on his face. His love for and dedication to his wife Barbara and to his children, grandchildren and great-grandchildren was unparalleled. He was proud of his family and loved to have them around. He was generous. He would give you the shirt off of his back and help you in any way he could. I remember showing up at the house one time with some kind of glue on my car windows and before I could even turn around he and Joe were outside taking care of it. When our family moved to KC in the late 60's Tom and Barbara welcomed us into their home and I spent many wonderful hours there with Joe, Mike, Lynda and Lynette. It has been my honor to know him all these years and to spend so much time just being in his presence. His gentle spirit and complete acceptance were a constant blessing to me. I know that he loved his family with his whole heart and he would want us all to remember him with a smile and a funny story and by hugging those we love every time we get a chance. Love to you all and many, many thanks to Uncle Tom! Deana
