“ Timmy was a Senior in high school when I became a Chowning. I was immediately adopted into the all boy family as Gert and Willard's first daughter. After Timmy graduated he went to work at KCATA on the evening shift. Willard worked a split shift so he was home from 10-2 every day. I worked a part time job at a Church up on Shawnee Drive in the afternoon. I drove a 1951 Ford coup that the gas gage didn't work. On several occasions I would have to call Dad because I had run out of gas or was stranded, this was way before cell phones. He would always wake up Timmy tell him come on we have to go get your Sister she in trouble again. Never once did they complain about me disrupting their day. I just always got a big hug and some teasing. I will miss you little brother I always knew if I needed you, you would be there for me. Rest in peace.

“ I grew up with the Chowning family as we attended the same church. Timmy's mom was my SS teacher a few years. Attending SS and VBS thru our childhood gave me many fond memories of Timmy; he was in many of my classes. A typical boy with a very warm smile. I'm unable to attend his service but am praying for his family and loved ones.
