“ I can't believe our time is over to have you in our lives! From tubing with T.J. and Shaleigh, on Table Rock Lake, to Christmas and Thanksgiving Holidays together, along with many birthday parties of kids and Grand-Kids! Those two dollar bills you passed out to the kids. Those little touches that made those times that much more special! Always making interesting conversation. People always felt included, by you, Tommy! Just last Christmas, making those nice cutting/ charcuterie boards for us! You have always been such a big shining person in our lives, and will forever shine bright in our hearts! I'll always keep your smile and humor among many happy memories I'll treasure!

“ *Thank you all for memories of Tommy. He will be greatly missed. I remember the first time I saw him it was Valentines day 1992. We met my accident it was his brother Clint I was to meet because my friend at the time had a crush on Clint. I saw that beautiful smile and beautiful hazel eyes standing on the porch of a girl ne Audrey's house , and even though I was only 13 years old I thought he was so amazing. It took a time or two separate occasions for him to notice me. I would say about two weeks later we were "in love" 13 year olds what do they know about love. Here we were 29 years later the perfect couple. He was my everything my protector from day one. I still wonder how I'm going to live without out him. Who is going to open a jar for me who will check the basement if I hear a strange noise who will hold me tight the next time I'm sad. Who will I kiss goodnight and hollor at to turn off the TV at 1am because he say it helps him sleep. I miss him so much . I haven't quite accepted the fact that he is gone . His smile His laugh it was contagious. Everyone that knew him can say that it was rare that he ever turned away a friend in need. Thank you all again for sharing your memories and the plants and flowers will make his service as beautiful as our life was together .*

close your eyes and pray they will come back, or you can open your eyes and see all that they left for you. Your heart can be empty because you can't see them, or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday. You can remember only that they are gone, or you can cherish their memory and let it live on. You can cry and close your mind and feel empty, or you can do what they would want.

“ *Tommy was one of the cuteist babies I remember the day he came home. He was a good kid really shy as a small child. Last Cook family reunion I heard him sing & he really had a great singing voice. I ask him why he didn't do a song for us ? He said well if you & Mom would stop hogging the mic I could I LOL he was right. He was a very fun & loving person. My grandkids loved him. My children Pati & Bo both are heart broken as everyone is for the Loss of such a very sweet person. May the God of all comfort bring us peace in knowing Tommy knew Jesus and he is forever more with Christ. RIP Tommyboy*

“ *He was such a good man and always showed up to any event invited to. My favorite memories are when y'all came to the Too Short concert at America's Pub and when y'all came to my Union celebration. He was all fun, smiling and having a good time every time I seen him. I'm sad I won't be able to attend the funeral, I leave for Florida the day before. My condolences to Melinda and kids and grandkids.*
