

Tracy Lynn Williams Carey

September 4, 1968 - March 18, 2024

Tracy Lynn Williams Carey broken heart was made whole again on March 18, 2024 when she suddenly and unexpectedly passed away in her home. Tracy was born September 4, 1968 to Joan Williams. Tracy's mother passed away very early on in Tracy's life from complications from diabetes. Tracy lived and was raised by her grandma Martha Williams in Wheatland, Missouri. She graduated from Wheatland High School and attended DeVry University. Tracy worked a few odd jobs at the lake before meeting the love of her life Bobby Carey through mutual friends. Tracy and Bobby were married on June 30, 1990 and moved to Kansas City. On June 1, 1991 they welcomed their only child Samantha into the world. Tracy worked for the Kansas City Auto Auction for many years before changing career paths. She then went to work for the Turner School District working in the Kitchen for many years then as a Paraprofessional for the remainder of her career. Tracy loved "The Races" she could be found at Lakeside Speedway every Friday night in the summer. She loved NASCAR and Dale Earnhardt. She enjoyed hanging out with her friends smoking, throwing dice or playing cards. Tracy was very loyal person and had a big heart. If she called you a friend, you could call her anytime night or day and she would be there for you. She was a one of a kind woman and we were all blessed to know her.
