“ Sis, I've never been reminded so much of the love and compassion not only you held within your heart, but the love and compassion you've shared with everyone you came in contact with. You have an amazing circle of friends that have come forward to express the sincere love you gave them over the years. What a blessing you have been and continue to be. Rest now, I love you beyond words and will miss you terribly, your time here on earth has come to an end way too soon. I hold memories in my heart and mind that I will continue to cherish for my lifetime. I just hope I can be half the person you were to so many people in your life. Love you forever and ever.....
