“ I am sorry to learn of Vernon's passing. I knew VJ from school having met him when I was an 8th or 9th grader. He was a good friend of my sister's boyfriend in high school and became a good friend of our family. VJ and I became friends, and he taught me how to drive a standard shift car. I remember he worked at the boat shop and really enjoyed it. I always knew VJ to be kind and considerate...always there for his friends. I lost touch with VJ as I grew older and moved away, but I always cherished our friendship. I send prayers and condolences for his family. God Bless you VJ, you will always be remembered.
