“ *Sending hugs and prayers. Vic has been in our life forever, we loved him like an Uncle. He was the most loving, caring, kind, creative, man I knew. He was there for our family always. I cannot believe he has been taken home. I am sad. Vic was so full of life, it breaks my heart he is gone. My family will miss him terribly. He was the best. Rest in Peace Vic. Vic, you were one of a kind, say hi to Dad and Mom for us. Love you!*

“ *My sympathies to Victor's entire family. I helped him for years with his investment and insurance matters and always enjoyed visiting with him at his home when we'd get together. Always very nice and a real pleasure to work with. We always spent a lot more time talking about his garden and projects he was working on than business matters!!*
