“ *Joanie and Frank, our deepest sympathy on the loss of your mom. I want to thank you both for sharing your parents with me and others who frequent your home, and in most cases unannounced, to play pool and foosball down in the basement, as we were growing up. Those were great times, and wonderful memories.*

*Violet, you were gracious and generous towards us kids, always making sure we were enjoying ourselves, and constantly feeding us. You made us all feel like part of your family when we were around you. I was blessed to have known you.*

“ My thoughts and prayers go out to Vi's family and loved ones. I will miss her sweet smile and her sense of humor. It is sad to go into work and not see her there everyday. She will be missed by all of us. She loved her children and grandchildren and may you find comfort in her many memories and cherish them always. God bless you and your family.

“ *The thing that I remember most about Violet aka Vi aka Mema was the way that she loved her family. She loved well. She loved big. And she loved without reservation. I had the privilege of being able to hang with the family often...and so, I got to see this firsthand. She loved with a ferocity that reflects God's love for us. She also made everyone feel like part of the family. She is an amazing woman! Her life is to be celebrated.* ”

*I enjoyed for so many years getting up at 4:30am so I could come to work and try to beat you at Skipo, but you always seem to have the better hand. I would win a few but you would win a LOT.....I will keep those fond memories forever. It is hard to understand why people are taken from us, but find comfort in knowing you were a special part of such a well-lived life. You will be missed.*
