“ Hello and comfort to the Family of Virginia Boyce Greenlee:

*We were classmates through Major Hudson Grade School all the way through until she left Argentine Jr-Sr High school. I was thinking of my best friend this past weekend. Because I flew into Kansas City for my 64th-yr class reunion of AHS on June 23-25, 2023.
Class of 1959*

I knew her 3 brothers, parents and the house on Coy. I knew nothing of getting myself to a new school and so at the start of the two of us going to 7th grade. She and the boys invited me to ride to school that day. What a relief!

I will never forget this family and I haven't as they have come to mind over and over as the years came and went. For some reason I did not find my friend on Internet searches. I left the KCK area after college graduation, teaching one year at Rosedale, getting married, having a son born at KUMC and helping get my new husband into graduate school in Indiana.

During grade school Virginia and I shared firsts names with 3 other girls so Miss Schirley had Virginia Boyce, Virginia Correa, Virginia Jones, Virginia Baldwin, and Willegus, at least, but I cannot pull up the name.

I remember when she told me she was getting married--she meant it; I hadnt even started dating. Thank you my friend for all you meant to me!

“ Virginia was a beautiful lady and so faithful in her service to the church. My mom, Vivian Leat, remembers all the times they taught Bible School together at Rosedale Baptist Church. Our thoughts and prayers are with the family.
