“ Prayers to the family and friends of Walt. He had a servant heart and a grand smile. Eleanor and Jim Robberson are neighbors of Linda and JR Weaver and they spent many a sunny Sunday giving each other a hard time. Walt and my Dad, Jim Robberson, have met up again in Heaven.

“ We are so sorry for your loss! Our hearts are broken at the loss of this dear man! He was our neighbor! I am not sure how many years, but it seemed like forever! He also fixed our air conditioner many times at no charge! You had to beg him to let you at least do something in return! He also helped out many of our family members as well with the same response, “Don’t worry about it!” We are going to miss his many smiles and his wave across the way! What a blessing to have known him!

“Walt was a name given to me by a dear friend on a terrible hot day in the summer four years ago when my air conditioner went out. Walt came over that day and he was so patient and kind.

He made many trips to my home over the last four years. Sometimes, I would pay but, most the time, he would say no charge as he left.

We would talk while he worked and he was such a sincere listener to all the things I told him. Walt was a kind and generous man and I will always be so grateful for how good he was to me. I am so sorry for your loss and I am praying God's peace over all of his family and friends.
