Momma, I love and miss you and daddy more and more everyday. everybody says it will get easier as days go by but it still hurts as if it were just yesterday. It has been 2 years now momma and some days I want to play the old songs and close my eyes and dance with you on your toes to " a white sports coat and a pink carnation." Thank you for the memories that you and daddy have given me and the RESPECT for others that you have taught me. I LOVE AND MISS YOU MOMMA AND DADDY!
