“ Warren was a person that never knew a stranger, always had a smile no matter what was going on in his life! I met Warren and the rest of the family back in the 60s and have always been treated like a member of the family. I will miss you little brother but you are at rest! I'm sure Jesus welcomed you with open arms. Go Rest High On The Mountain!

Love

“ To the family and friends,

My sincere condolences for your loss. Warren and I met through our work. We instantly connected and became good friends. To me, Warren was always a very genuine soul. He never complained about personal issues and always put on a brave face even though he was fighting a very tough battle. He was passionate about many things. I wish we could have spent more time together but I'm extremely grateful for the time we shared in business and in friendship. My greatest regret is that I wasn't able to keep contact with him when he took his leave of absence from work. I have said a prayer for family and friends and I hope you are able to find peace in his departing. I will treasure my memories of him. My heart is heavy but I'm thankful that he is at peace and no longer having to fight for each day. He will be fondly remembered and greatly missed.

Warren, rest well my beloved friend and brother.

*Sincerely,
Jim W. Shelton*
