“ *Mildred, Sue and Jim,*

Lovely tribute honoring Wayne's life.

Of all the many wonderful memories we have of Wayne (as long time neighbors), a couple come to mind:

***Whenever we arrived home, it was tradition that if Wayne and Mildred were out in the yard, Noah (starting at age three) would jump out of the car, make a mad dash to Wayne to exchange big hugs. Priceless!*

***When Noah was outside playing with his plastic bat and ball, Wayne would toss pitches and teach him how to hit like a Kansas City Royal.*

***I'll will always remember his beautiful blue eyes, infectious smile and sense of humor.*

May all the wonderful memories of Wayne comfort you today and always. We continue to keep your family in our prayers.
