“ *He was a kind and gentle soul with a smile on his face often. One of the best wood workers I have seen, I know it because he built the most beautiful kitchen cabinets for our past house. I do not remember ever hearing him complain about anything except when he did not do as good in bowling, but he beat me regularly even when he was not doing what he considered good. May he rest in peace and may God Bless his soul, he will be missed.*
