

William (Bill) J. Burnett

November 30, 1940 - January 16, 2021

William Joseph Burnett (Bill), born November 30, 1940, died January 16, 2021, at K.C. Hospice House. He was the son of Marceline and William E. Burnett, Jr. and the grandson of Carolyn and T. J. Pendergast and Margaret Cassidy and William E. Burnett, Sr. He was predeceased by sisters Marceline Blickhan and Barbara DeGraeve. He is survived by his nephew and wife, Jim and Jinny Blickhan, two great-nephews Alex and Brad, niece Marceline White, his grand (or great) nephew Roric Coletta, and the love of his life, Susan Matney.

Bill felt that the greatest achievement of his life was his 36 years of continuous sobriety. He was intimately involved in Alcoholics Anonymous, making meetings and mentoring other recovering alcoholics. He adored our pets, Alex and Nikki and his most beloved hobby was charcoal grilling 'meat'. Rain, snow, shine Bill could be found on his patio, checking the fire and the 'meat'. His creative outlet was that patio. He got everything watered every few days and the flowers performed so beautifully for him. He blew the dirt and leaves off and chased squirrels away. He was very happy. He was also happy in the kitchen and was an exceptional cook. He loved to feed those people he loved! If he ever fed you, you know he loved you.

Bill had the most infectious smile. His resting face seemed rather stern but it was completely transformed when he broke out that smile. He was extremely generous with his time and he was on the phone constantly during this pandemic with his friends. And he was a very happy guy. He had a great

sense of humor and could always make me laugh. He always reminded me when things were upsetting – “We are sober today”!!!

The family owes such deep gratitude to Dr. Neil Erickson, Bill’s primary care physician, for care that was above and beyond and personal for Bill and the kindness he showed me as Bill’s next of kin.

Thanks to St. Joseph’s Hospital, especially the ICU unit for the care Bill received. And to K.C. Hospice. He was only there one day but they made him so comfortable and cared for, he was able to let go – and the environment helped all of us to let go a little bit. Thank you all.

I am so grateful to my wonderful family and friends and to all my sober sisters and brothers and my sisters from St. Teresa’s high school. Your love and prayers carried me through this difficult journey. I can’t say thank you enough. “til we meet again, may the wind be at your back”

Donations can be made to either St. Jude Children's Hospital or Alcoholic's Anonymous Kansas City Area Central Office, 200 E. 18th Ave., North Kansas City, Missouri 64116.

Funeral services will be live streamed beginning at 3:00 P.M. Friday, January 22, 2021 at <https://fb.me/e/2kL8sDRB2>

This is a BEAUTIFUL VIDEO capturing Bill's life. We're so happy to have been a part of his and Susan's journey (66 years is a long time). Also, it has been so special to have watched the lives of Mike and Danny and their families. We have loved them with all our heart.

The great love you shared with Bill was evident in the lovely video and tenderly expressed at his moving memorial service. You and Bill were perfect for each other. I am grateful for all the sweet memories of all of us as far back as freshman in high school. All my love to you and your family. 💕. Kathy

“ *I have many memories of Bill but one that always comes to me is the day he was driving by our house, saw us on the porch and pulled into the driveway. Instantly I thought something was wrong with Susan ... but no ... he just saw us and wanted to chat. He joined us on the porch and we talked and laughed ... then he just got up and went on his way. This story would be more common if Bill and us were close friends but we really knew him more as "Susan's Bill". He was a great man, a generous person and a man I am glad to have known! Much love to the family ... I wish you peace and comfort.*

“ I see Bill in his chair or on the patio. I hear him yelling at the Chiefs. It comforts me sometimes and then I remember....

“ Dear Susan and all,

What a special service for Bill. I'm so blessed to know you and Bill since we were 12 years old. Memories!!!!!!

I will miss that smiling face and twinkling eyes. He was also so friendly on the phone when I would call. Like he had all the time in the world especially after Joe was gone.

“ What a wonderful photo of Bill — you want to smile right back. I'm watching the stream as I write this, and tearing up of course. I wish we could be there. Being able to semi-attend is an appreciated gift. I know he would have liked the stories, the warmth, the laughter. He gave so many the best gift of all—his time and attention.

“ I have known "Billy" as I always called him since kindergarten, but only really got to know him after his sobriety. Billy has helped my wife immensely as she lives through her son's alcohol addiction. He has helped her deal with this as he has helped so many others through his work with AA. God has welcomed Billy home. We miss you.

“ I first met Bill in August of 2015 at Research Hospital where my brother, Pat, was very near death, the result of alcohol poisoning. My brother would remain intubated for the next three days and hospitalized for another ten. But Bill was there every day without fail, probably as much (if not more) for Pat's daughter and me as for Pat. I told my wife and other brother every night that summer that I had never seen someone so willing--and so able--to comfort, educate and inspire people in pain. Fortunately for me, I had a chance to see Bill on a fairly regular basis over the course of the following years. When my wife became ill, Bill was always calling to ask how she was doing. And when Pat became ill last year, Bill was there for us again. I am fortunate to have known him and to have enjoyed the pure pleasure of his company. I am sorry for your loss.

“ My sympathies to Susan & the family. I met Bill sometime in the fall of 2001. I had moved onto Cherry Street just a few houses down. I was walking my dogs “ Willie” & we came upon Bill & Niki... we stuck up a dog conversation & we shared our passion for dogs. Well Bill would always say...” If your a “ dog person” then you had to be a decent guy!!! We continued to be friendly over our dogs & Bill eventually became a endearing friend. He will live long in my memory! I will always be grateful for his concern, his talks & his wisdom towards just” doing” the right thing! All dogs & “dog people “ go to heaven. Enjoy the reunion Bill....I’m sure Niki & Alex will be tickled! Kevin Overstreet
