“ *Adding a memory of Bill. I remember meeting him when he and his wife. (Agnes, a relative of mine) when they visited us in California years ago, probably around 1988 or so. We had a nice visit with them and I remember what a great man he was. He came to my mind today and I thought to do a search and found that he has passed away several months ago. Best regards to all his family and to my cousins Marilyn, and Cathy.
