“ *My Daddy Lives with the Angels now! I miss him so much already! He was an Amazing father and Grandpa was his favorite name. When we were kids we went fishing ALL the time! My dad taught me how to catch fish, gig frogs, shoot guns! He even taught me how to noodle! So much fun to be had in the water! My ex husband Mike Thomas and I were out noodling with dad and we came to a big brush pile, dad on one side Mike on the other and I was upstream. Dad has a fish but it's stuck, Mike has a fish, but it's stuck! Dad says Diane get down here and help me with my fish then we'll get Mikes. I get down into the brush and danged muskratt swam into my shirt and out the other end, but I got down there found dads fish. Yep there is a mattress inside the brush pile and his fish is stuck! So I reach around to find Mikes fish and it is stuck in the mattress to! So I come up out of the water and said okay here is the deal! One of Younz gotta let go of that fish! Yep they both had the same fish! Dad pulled him out and he was a 12lb yellowcat! So many more fish stories can be told with my dad! I love you daddy and wish you were here!*

“ *I have always looked up to uncle Bill. He always made time for his family. I enjoy the times we sat at my grandma Kuhns house and talked and shared memories. He loved seeing my kids play on the inner tube out front of my grandma's house. God has called a wonderful husband father brother uncle and friend home. You will be missed so much. But you will always looking over us. And most of all with use forever ?*
