“ *Sorry to hear about the loss of Bill. I know he will be missed by all. I did not know him personally but grew up with the Stephens family as neighborhood pals. My thoughts go out to Dixie, Bill , and Jim along with the rest of the family.

“ I worked with Willie for 4 years at Turner High School. He was a very hard worker and very protective of the "area" he was assigned to clean. He always made us laugh and will be very much missed, it won't be the same without him around. I know he is in heaven as he professed his salvation in Jesus. ... Stephen "Boomer" Baughman

“ Gerald, Dixie, Steve, Cynthia, my dear Faith, and family.....there are no words to truly express my thoughts right now....Bill was my friend, my in law, and I will miss him terribly. I am sorry he did not get to make it out to my place so we could go eat at Todd's, he found a new place that he enjoyed eating. Bill, please watch over those who love you and you will always be in our thoughts and will miss you like crazy!!! I have many fun stories about Bill....he was an amazing young man....I wish I had one last visit with him. For those he has left behind....I pray you find peace and comfort in knowing that he is in heaven, a glorious place, where there is no pain, no cancer, no sickness, and he is our God's arms right as I speak because I believe that God has seen in Bill the special person that he is and he wants Bill right by his side. Bill will be missed by so many, myself included, and this world has lost truly a wonderful person. Gerald, Dixie, Steven, Cynthia and Faith...be strong...that what Bill was...strong and he fought the battle with all he had, but now, it's time to travel again, and he will enjoy sights only he can. The Hope family is my family, and my love goes to my wonderful, strong DiL. Faith, who has had to grab onto strength I am not sure she did not know she had this last week. Faith, always remember the love you and Billy shared, just 3 weeks ago Faith paddled Bill around the lake, because he wanted a ride. You did everything you could, but it was God's will to take Bill home. Be thankful you were there to hold his hand as he slipped from our world to God's kingdom. I love you for everything you do. Be strong....and let Wes hold you and give you the strength to get through the next week. Love and blessings to Bills family and friends he left behind. Bill....you may be gone.....but you will never be forgotton.....Ruth Medley

“ *We loved our dear "Billy". He was in my first Sunday School class at Oak Grove Baptist Church when he was 5 yrs old. Over the years we saw Billy and his family many times as we became fast friends and spent time together as families. A number of years back we were surprised to receive a Christmas card from him as an adult. He expressed his love for Jim and his remembrance. It was a bright spot in our hearts. We are happy you are walking on streets of gold Billy and made whole in the Glory of the Lord!*
