“ Wilma you hired me 19 years ago to work at General Surgery and I'll always be grateful for that. I just remember some of the the funny things you would do and say and we would laugh so hard we would end up crying. Oh the awesome carrot cake you would make me for my birthday...the best ever!!! I will miss you stopping by and visiting with me. My heart hurts and I will never forget you. God rest your soul my friend. Thoughts and prayers to your family.

“ Wilma June is what we called her, but she was the young beautiful strong mom any of us could have had. Always had her door open, with a smile I'll never forget. Gracious, was there for me, many times. We will meet someday, and Cindy and I'll challenge you to take you down. But, you'll throw both of us on our butts again. Love you & will remember you always.

“ There are so many memories I could share about Wilma. She loved life and she loved people, especially her family. My heart hurts that she is gone from this earth. But no more Mr. Lewy! May God bless her dear family and comfort them!

Who could ever forget Wilma's sweet smile and kind words. Words cannot express how deeply her love for Darrell and her family. You will be missed so much, Wilma; we'll all be together one day with our Lord Jesus Christ, but until that time you can sing and dance with the Angels. We will miss you at our Turner High School 1958 Class Reunions!!
